

MD MIRROR DEMISTER PADS

What is a Mirror Demister Pad?

An economic pad that demists mirrors in domestic and commercial bathrooms. A great luxurious addition to any new bathroom fit out.

Key Features

- 100% effective in a little over 2 minutes
- Protects an area approximately 20% larger than the pad itself
- Peel-off adhesive backing for quick and easy installation
- 1m long power lead
- Multiple pads can be used on one mirror
- 230V supply
- Class II IP44
- Suitable for bathroom zones 2 and 3

Energy Saving Tip

Wiring your pad into your lighting circuit ensures the pad is not left on when your room is unoccupied.
